Financial Education Seminars

Financial Education for your whole team

Because your organization participates in Virginia Credit Union Partner Perks, our Financial Partnership Managers will come to your location and present free personal finance seminars on relevant topics.

- ▸ Adulting 101: Smart Choices to Succeed in Your Finances (Workshop)
  This interactive workshop covers money management principles and the financial challenges facing young adults. The session includes an in-depth look at managing cash-flow, understanding student loans, and building a savings and investment plan.

- ▸ Aligning Money and Values
  This seminar helps participants define and align personal values to the financial choices.

- ▸ Building a Better Budget (Workshop)
  Get practical advice for creating and sticking to a budget with tools to track spending and establish savings goals.

- ▸ Drive Away Happy
  Learn how to make smart car-buying decisions and get tips for negotiating the purchase of a new or used car.

- ▸ Financial Conversations for Couples
  There is no "right" way to handle your finances, but most successful couples learn to combine different money management styles into a healthy financial life together. In this workshop you'll develop a joint money strategy that incorporates your individual goals and values.

- ▸ Home Buyers
  Get answers to your questions and learn about buying and financing a home.

- ▸ Home Sellers
  Find out how to get the best price for your home in the shortest amount of time. Learn about the home selling process and pitfalls to avoid.

- ▸ How to Read Your Credit Report
  Learn how to access a free copy of your credit report and the importance of reviewing and understanding the report. Take a sample credit report and discuss its various components in detail.
