Important Disclosures for Special Offers

VACU defines "Special Offers" as those extended to members meeting or exceeding VACU's internal qualifying criteria for the offer. Unless it would be inconsistent to do so, words should be construed so that singular includes plural and plural includes singular, and past or present tense, or capitalization of such word is irrelevant. Below are types of Special Offers extended by VACU:

1. A pre-screened offer which we refer to as either a, "Pre-approved" or "Pre-qualified" offer is valid until the date specified in the offer.
2. A "Promotional" offer is valid until the date specified in the offer.

Following are specific Disclosures that pertain to our various Special Offers. These Disclosures are provided at the time an offer is extended and are also provided online whenever an offer is mentioned again. These Disclosures are in addition to any standard Disclosures, Agreements, Documents, etc., that has been or will be provided when borrowing from VACU. Contact VACU if you want more information or have any question about these Disclosures.

If any borrower does not continue to meet our specific criteria for creditworthiness, and/or is unable to adhere to the Conditions of Offer, or if extending credit would then exceed our internal credit policy limits, we reserve the right to reduce or revoke this offer.
